My worth is that I am a rare asset to a team. I possess skills a lot of people do not possess problem thinking or creativity.

The Kitchen Sink

Hello, my name is Wesley Fecske. I am a student at NCTC. I will graduate in May 2025 with a degree in Game Development. My personal goal is to increase my knowledge of game development. You can call or text me at 940-363-9024 and my email is wsfecske@gmail.com.

As a team of five, we will work on our project for two semesters the Fall and Spring, using the game engine Unity. For our project, I gave my thoughts on moving forward as a team to accomplish the polishing of our Capstone project. I gave my input/concepts to the Capstone team, and we finalized an agreement to go from a team member's coding from the individual's laptop for our Capstone project.
